

Dates: apply by 12th May 2016

Job start Sept 2016

Salary: Sutton Grammar Scale –
slightly above old Outer London scales

Location: Sutton, Surrey

Contract Type: Part time from September
about 0.5FTE

Contract Term: Permanent

Spanish Teacher (ideally with French or German)

Part time – about 0.5FTE

This is a chance to join a school rated outstanding by Ofsted. Sutton Grammar School has extremely able and well behaved pupils and a low turnover of staff. Applications are welcomed from dynamic modern language teachers who have a flair for delivering innovative and creative lessons and who support students well.

Sutton Grammar School is a selective school for 870 boys, graded outstanding by Ofsted, and we seek a linguist able to support the work we are doing. This is an additional part-time post to cover expansion of the department. We offer Spanish, French and German at A-level. The numbers taking languages in the sixth form are still modest but the quality is excellent. Our priority is for a teacher able to teach Spanish up to A-level, but the ability to teach French or German to GCSE would be an added advantage.

Applicants should be qualified teachers. We want the best teacher we can get to enthuse our students about studying modern languages and help them to value languages as a key element of a broad education.

Extra-curricular contributions outside languages are also welcomed and you may have other skills to offer (e.g. sport, interest in CCF, D of E, music, ...).

Come and teach at a friendly and successful school!

We can support newly qualified teachers. Experienced teachers are also welcome to apply.

You can apply using the application form from the school website or by letter and C.V. to the Headmaster.

See the vacancies link on the school website at: www.suttongrammar.sutton.sch.uk

For further information and to download an application pack visit the vacancies section of the school website www.suttongrammar.sutton.sch.uk To apply you can use the application form from the school's website. We will also accept a C.V. and letter as long as all the relevant information is included.

You can also apply for this post via the TES hirewire site at:
