SELECTIVE ELIGIBILITY TEST – WEDNESDAY 14 SEPTEMBER 2016
EXTRACT FROM SAMPLE ANSWER SHEET

The Selective Eligibility Test English and Maths papers are multiple choice.

Candidates will have a personalised English and Maths answer sheet on their desk when they arrive at their test centre. The answer sheets will be printed showing each candidate's full name, date of birth, gender and candidate number. Candidates will be instructed by invigilators to check that this information is correct and if it is to tick the box. In the event that there is an error, candidates will be asked to manually amend their answer sheet. Any amendments will be logged by staff marking the papers after the exam. Invigilators will ensure that candidates are using the correct sheet for each test.

When selecting an answer, candidates should fully shade their chosen box with pencil (see below). If a candidate changes their mind about an answer, they should carefully rub out their original answer and shade the box of their new answer.
