

### Registration (AM and PM)

A time for tutors to inform, advise, and support. Afternoon registration follows a programme to support sixth formers with their programme of study in addition to preparing for university and other post-18 options

### Personal Development

PD classes happen once a week to help strengthen knowledge and decision making in relation to wellbeing, health, relationships and more.

### Supervised Study

During Periods 1-5 you have scheduled supervised study sessions. You must use these to do homework, revise, research or consolidate learning. This will take place in the 6<sup>th</sup> form centre or library.

	Monday	Tuesday	Wednesday	Thursday	Friday
AM Registration 8.30 am – 8.37am	AM Registration	AM Registration	AM Registration	AM Registration	AM Registration

Period 6 14.03pm – 14.48pm	Chemistry	History	Games		Cogitas
Period 7 14.50pm – 15.35pm	Chemistry	History	Games		Chemistry

### Supplementary Studies

Taking 3 A-Levels? Once a week you will partake in SS to assist you with additional study skills, timetabling, notetaking and super-curricular studies.

### Break and Lunch

You can leave the school site to head for the high street or local green space to enjoy a break from study.

### Games and Enrichment

Timetabled every week. You have the chance to go to the sports field for outdoor sports or stay at school for badminton, basketball, the gym and more. Opportunities for enrichment on a Wednesday include Green Power and Ionic Liquids.

### Free periods/Exeats.

These can be used as 'free periods' with the possibility of an early finish if this privilege is earned.

### Cogitas

Classes allow you to develop and broaden your academic knowledge. You have 3 lessons over a fortnight with the option of 2 different topics over Year 12.
